

BEHIND THE VELVET ROPE

55TH ANNUAL LEPRECHAUN BALL • MARCH 6, 2010

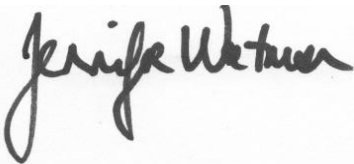

Dear Business Leader,

On Saturday, March 6, 2010 St. Martin of Tours School and Parish will be celebrating the 55th Annual Leprechaun Ball. Our celebration will be held at the Skirball Cultural Center and we hope that it will be a great evening of fun and fund-raising. 250 guests from Brentwood and surrounding areas will be present to support our school and we hope that you will assist us in our undertaking.

St. Martin of Tours is a Catholic Parish and Elementary School located in Brentwood. Our school has almost 250 students and provides an outstanding education for children in Kindergarten through eighth grade. The students and families represent a varied socio-economic group and the school has a rich cultural diversity. Proceeds from our annual Leprechaun Ball have enabled us to continue Parish outreach programs and provide exceptional academic, social and cultural activities to our students. We are very proud of the excellent programs made available to our children and we are very thankful to the continued financial support of business leaders like you who help enhance our school.

We realize that helping to fund a child's education is becoming increasingly more difficult and we humbly ask for your support at this time. We would be honored to have your assistance through a donation of cash or through a donation of merchandise, tickets or services for the live and/or silent auction. All contributions are tax deductible (please see the enclosed forms).

Thank you in advance for your generosity and we look forward to hearing from you.
Yours faithfully,

Jennifer and Michael Weetman

Anna and Kevin King-Templeton
